Corporate Package: Book for 9 and receive 1 complimentary ticket.

Customer Service Institute of Australia's Australian Service Excellence Awards

With customer expectations continually rising, the wider business community is becoming aware of the value and role that Customer Service plays in achieving business success.

This highly demanding area is arguably the critical success factor for many organisations. For this reason it is important that the Customer Service Profession has its own national awards to recognise, promote and reward excellence, professionalism and outstanding achievement.

The CSIA Australian Service Excellence Awards showcase achievement in Customer Service.

Reaching the finals and winning an award illustrates the high standards of management, training and commitment to excellence within those organisations.

State-based Awards will be run in New South Wales (includes the ACT) and Queensland. State-based Awards for Victoria, Western Australia, South Australia, Tasmania and Northern Territory will be announced at the National Awards Presentation Dinner in Victoria. State winners in each category will automatically qualify for the National Awards program.

The National Awards Ceremony will be hosted in Melbourne on 29th October where national winners in each category will be announced.

YES, I want to discover Australia's most exceptional customer service stars at the Customer Service Institute of Australia's Australian Service Excellence Awards
